MEMORANDUM FOR: Deputy Director for Intelligence
Deputy Director for Plans
Deputy Director for Support

SUBJECT: R&D Resource Planning for FY 1971 - FY 1975

1. It is my understanding that the Program Call for FY 1971 - FY 1975 will be issued in early November. Guidelines for resource limitations will be provided.

2. The budget climate is not likely to be relaxed for our next planning period; at best, it will probably be much the same as we now face. So that we may make the best use of Agency R&D resources and respond to national requirements as best we can, I propose to meet with all Deputy Directors to discuss the distribution of R&D resources for FY 1971 through FY 1975. I will request a meeting as soon as possible after the Program Call is issued.

Carl E. Duckett
Deputy Director
for
Science and Technology
